

MILEAGE PAID TO PARENTS
Regular Resident District Students
2014-15

The Schuyler Community Schools Board of Education will pay mileage to parents based on the following guidelines:

1. The parent must live over 4 miles from the **NEAREST** K-8 Attendance Center. This may not necessarily be the school they are attending - just the nearest attendance center.
2. The parent will be paid at the rate of 285% of the state mileage allowance times each mile each day of attendance **one way** for each mile **over 3 miles**.

For example:

**A student lived 8 miles from the nearest attendance center
and attended school 171 days**

Prior to 1-1-15 285% x .56 state rate x 5 miles per day one way = 7.95
84.5 school days = \$671.77 mileage to parents*

Effective 1-1-15 285% x .575 state rate x 5 miles per day one way = 8.19
89 school days = \$728.91 mileage to parents*
Total check = \$1,400.68

3. All option students that are on **Free** Lunch will be paid mileage according to state guidelines. Enrollment Option students are figures at 142.5% x mileage rate x miles
4. A transfer student (for example - a student who lives in the former Schuyler Grade School district and chooses to attend school at the former 4R district) will not be paid mileage unless the guidelines set forth in 1 and 2 are met, the parent would not be paid mileage to the **NEAREST** transfer attendance center.
5. No Secondary student will be paid mileage.
6. No Preschool student will be paid mileage, with the exception of Special Education Students.
